

Topkat Studios

Position Opening: Music Studio Intern

Topkat Studios is currently seeking an intern to help with the following:

- Music Transcription
- Choral arranging
- Recording session setup & operation
- Creating chord charts for pop/rock cover songs
- General administrative/office duties
- Social Media updates

The following skills are required:

- Transcription in Finale (NOT Sibelius)
- General understanding of jazz harmonies
- Proficiency in a musical instrument

This is a part-time paid position (apx 5 hrs/week or a little more) that could provide a great experience for a music student. There will be plenty of opportunities to learn more about the art of recording as well as running a successful and thriving music business.

Located near the 60 and Mill, Topkat Studios is an art and music recording studio in Tempe, AZ run by Nashville recording artist, Rebecca De La Torre.
